

Ickford News

Last week I wrote about two elements that help to make our school so good, attendance and reading. This week, due to the weather and the need to get home, I am keeping things short and sweet and shall simply draw your attention to another reason for our success, 'people'

People like those who spent last Saturday morning cleaning cars to raise in excess of £500 towards the PTA target.

People like Lucy Edmans mother of William in Class 3 who, when she found out that I was cleaning the toilets picked up her bucket and mop and came down each day to ease the burden.

People like the teachers and teaching assistants that also decided to clean their own classrooms this week at the end of their working days.

People like my Chair and Vice Chair of Governors who have been supportive this week in times of challenge.

People like every teacher, teaching assistant, Bursar, Admin Officer, Midday Supervisor and parent reader that got into the school today in spite of the 'Beast from the East' and Storm Sally, Sarah, Sam or whatever she was called!

People like Miss Vukomanovic who had to be restrained and ordered not to attempt the 50 mile round trip in today but still managed to appear on the big screen via Skype for the children in Class 1.

People like every parent who managed to get their children to school today rather than take the easy 'Snow Day'.

I thank you all.

Mr Ronane
